SAMPLE Fidelity Targets by Component

Core Component 1: Individualized Student Learning

Table 1:
Blended Learning Implementation

Key Component	Measure		Data Source	Target	Weight
Expand options for students to individualize their progress and learning path.	**Quality:** % of blended learning best practices observed in classrooms.		School-Level CWT Data	82%	.20
	Dosage: % of observations using….	Blended Learning	School-Level CWT Data	17%	.10
		Focused Groups		5.1%	.10
		Small Groups		24%	.10
		Stations/Centers		8.2%	.10
	Reach: % observations using at least one of these strategies (blended learning, focused groups, small groups, and stations/centers) at target levels.		School-Level CWT Data	13.3%	.20
	Reactions: % of students and priority teachers who reported change in instruction was beneficial.		ABC Student survey	83%	.10
			ABC Teacher survey	92%	.10
